**Can't Attend NAP Convention? No Problem!**

Join us at the **August 12 Central Florida Unit Meeting** as we review and vote on the **NAP Proposed Bylaws Amendments** — just like we were there! Let's face it — no one wants to read bylaw amendments alone. So we'll do it together! Whether or not you're attending the NAP Convention, this is your chance to make your voice heard and sharpen your skills in properly formatting and interpreting amendments — a vital ability for any active member of an organization.

**We'll cast our votes** during the CFPU August meeting.  
**Then in September**, we'll compare our choices to what actually passed at the Convention! Even if we can't attend this year, we **can still participate, practice, and form opinions** on the proposed changes to the NAP Bylaws.

The proposed amendments are in the three column format and that alone is a teachable moment. But, if the amendments are adopted:

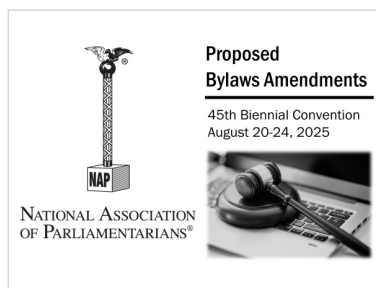

***What does it mean for the members?***

The three-column format helps members clearly see:

- **Current wording** (what the bylaws currently say)
- **Proposed amendment** (what's being changed or added)
- **Rationale** (why the change is being suggested)

Homework: Download and read the NAP Bylaws Proposed Amendments.
