

The Florida Parliamentarian Monthly News & Updates

June 16, 2025

CHARTING THE COURSE

The FSAP Executive Board held its first meetings the week following their installation at the 2025 FSAP Annual Membership Meeting. These early meetings focused on addressing urgent matters regarding transition and setting plans in motion to enhance FSAP's value to its members, the general public, and our credentialed parliamentarians.

We are excited to announce the return of our 5th Tuesday virtual education sessions beginning July 31 at 7:00 p.m. These sessions, led by FSAP credentialed parliamentarians, are open to the public. Please invite leaders in your network, who would benefit from learning more about parliamentary procedure – especially those serving as parliamentarians in their organizations or those interested in joining NAP.
