	<p>Saturday, May 14<sup>th</sup> at 2:30 p.m.</p> <p><b>THE MOTION TO AMEND</b></p> <p><i>Presented by Kay Crews, CPP-T, PRP</i> - The motion to amend is perhaps the single most-used of the subsidiary motions allowed by Robert's Rules of Order. An amendment can make a good idea better or a bad idea more palatable. Amendments are really at the heart of the process of perfecting motions before a final vote, and the importance of understanding the foundation of amending can't be overstated. We all know that this motion is used when you want to change the wording of the motion under consideration but can you amend on the fly when the situation at hand isn't always black and white or crystal clear?</p>
